Class attendance, participation and initiative	10 %
Tests (quizzes: 10% each, Mid exam: 30% and final: 40%)	
Course project (paper and presentation)	10 %

23. Course Policies:

Attendance: as you might have noticed that I count your attendance as part of your grade. It is important to note here that your attendance includes participation in class discussions, which means that you are expected to do the readings before each class
 Missing classes more than 7 times will result in the loss of your entire attendance grade and adversely affect your total class grade or withdraw from the class. You are required to inform your instructor, prior to the class meeting, if you cannot attend class. If you need to be absent on a test or exam day, you will take a test or exam prior to the day on which you will be absent.

Extra credit. Extra credit assignments are not available.

Papers and Presentations: You are expected to demonstrate in an all of your assignments and presentations a high degree of accuracy and professionalism.

Due Date: Unless written permission is received in advance of the due date, all assignments have to be turned in on the day they are due

Tests and Exam Policy: contents of the tests are non-redundant and non-repetitive, which means that chapters that are covered in the previous tests will not be included in the later tests. However, the final exam will include all materials except otherwise specified.

Academic Honesty: The integrity of an academic community necessitates the full and correct citation of ideas, methodologies, and research findings. In addition, each student can promote academic honesty by protecting his or her work from inappropriate use.

Cheating: Includes the unauthorized use of certain materials, information, or devices in writing examinations, or in preparing papers or other assignments. Any student who aids another student in such dishonesty is also guilty of cheating. Other possible forms of cheating include submitting the same work in more than one class without permission

24. Required equipment: (Facilities, Tools, Labs, Training....)

Data Show, computers,
