18. Course Description:

As stated in the approved study plan.

The major objective of this course is to address the nature and scope of human resources management in the context of tourism and hospitality. Thus, it gives an overview about the concept of the human resources management (HRM), International human resource management (IHRM), and other concepts related to HRM. Moreover, this course

provides an insight vision about the development of HRM in different tourism and
hospitality sectors.
1. 19. Course aims and outcomes:
1. 17. Course and outcomes.
A- Aims:
The major leaning objective is based on introducing the different approaches in
managing different types of nature reserves. Thus, this unit seeks to achieve these main
objectives:
1. Introducing the main terms and issues of HRM
2. To provide details about the main characteristics of the tourism market and
employment
3. Learn the students the main required practical skills in HRM in the tourism and
hospitality context
4. Improving students' knowledge toward managing diversity in tourism
workforce
